June 5, 2024

Advertisement for the post of Junior Research Fellow

Gujarat Biotechnology University (GBU), established by the Department of Science & Technology (DST), Govt. of Gujarat and located in the GIFT city, Gandhinagar is India's first and only Biotechnology University with a strong focus on innovation and translational research (Visit: www.gbu.edu.in).

GBU invites applications for following posts in extramural project entitled 'Establishing environmental surveillance of emerging pathogens and pollutants from Gujarat using multi-omics approaches' purely on temporary basis and is co-terminus with the project duration.

Name of the post	Junior Research Fellow (JRF)
Number of posts	2
Project Title	Establishing environmental surveillance of emerging pathogens and pollutants from Gujarat using multi-omics approaches
Project Focus	The proposed study will pursue environmental epidemiological surveillance for monitoring emerging contaminants (pathogens and pollutants) and determining their threats. Additionally, molecular detection methods for selected few pathogens will be developed.
Project Funded by	Gujarat State Biotechnology Mission (GSBTM), Department of Science and Technology (DST), Government of Gujarat.
Project Duration	Till March 8, 2025
Qualification and Experience	Eligibility: M.Sc./M.Tech in Biotechnology/ Microbiology/ Biochemistry/ Bioinformatics or any other relevant life science discipline with minimum 55% marks or equivalent CGPA obtained. Those who have just completed M.Sc. and are awaiting final semester results can also apply. However, their confirmation will be subject to submission of the final marksheet and degree certificate. Desirable Qualification and Experience: <ul style="list-style-type: none">▪ Candidates who have qualified the CSIR-UGC-NET/ DBT-JRF/ ICMR-JRF/ GATE/ OTHER national level exams.▪ Candidates having experience and interests in molecular biology techniques/ metagenomics/ metabolomics/ bioinformatics are encouraged to apply.▪ Candidates having experience in NGS and data

GUJARAT BIOTECHNOLOGY UNIVERSITY

Gujarat International Finance Tec (GIFT)-City,
Gandhinagar - 382 355, Gujarat, INDIA.

	<p>analysis are encouraged to apply.</p> <ul style="list-style-type: none">▪ Candidates having experience in detection of pathogens and pollutants/contaminants in wastewater through LC-MS/GC-MS are encouraged to apply.▪ Candidates must have proficiency in scientific writing.
Job requirement	<ul style="list-style-type: none">▪ Candidates will be required to travel for sample collections and networking with other institutions▪ Candidates will have to perform all molecular biology and associated techniques for multi-omics approaches (Metagenomics, Metabolomics and others)▪ Candidates will be involved in molecular detection method development of emerging contaminants
Fellowship	<p>Rs. 36,000/- per month inclusive of HRA for NET/ GATE/ national-level exam qualified candidates as per GSBTM, DST, GoG guidelines.</p> <p>or</p> <p>Rs. 23,213/- per month inclusive of HRA for candidates who have not qualified the NET/ GATE/ national-level examinations as per GSBTM, DST, GoG guidelines.</p>
Project Principal Investigator	Dr. Varun Shah
Last date of Application	18/06/2024 (5:00 pm)
Upper Age Limit	31 Years (On last date of application)

Instructions for Application:

Please be ready with following documents before filling up application on google form:

(i) CV [Should not be of more than two pages and should include research/work experience, educational qualifications (from S.S.C onwards), publications and awards. Also provide name, address, email id and contact number of two referees, who are familiar with your recent academic activities/progress (PDF Format; File should be named as Name_CV).].

(ii) Degree certificate of last qualification (File should be named as Name_1).

(iii) One page write-up in your own words on 'Need for wastewater epidemiological surveillance' (PDF Format; File should be named as Name_2).

(iv) National Level Exam certificate (Optional; File should be named as Name_3).

(v) Please fill up the google form. Link: <https://forms.gle/eK1Not9LMJMKisYv5>

Candidates shortlisted for in-person/online interview will be informed through email.
