SA (IT)

1. First Login on e-Mudhra with registered Mobile Number

Link is : <https://app.e-mudhra.com/index.jsp>

The screenshot shows the login interface for eMudhra eSign. On the left, there is a blue sidebar with the text "emudhra eSign" and "INDIVIDUALS". Below this, there are four checkmarks listing features: "Quick Registration using PAN KYC, Aadhaar KYC, Bank KYC", "Digital Signature without carrying any Hardware token", "Hassle-free account and transaction management", and "Supported by most popular platforms". At the bottom of the sidebar, there is a section for "Download eSign App" with icons for Windows, Mac, Android, and iPhone, and a copyright notice "© eMudhra. All Rights Reserved.".

The main content area is titled "Login to eSign" and "Authenticate using eSign account". It contains a form with three main steps indicated by numbered arrows:

- 1**: A "Mobile Number" input field with a dropdown menu showing "+91" and the number "9725545456".
- 2**: A radio button selection for "SMS OTP" (selected) and "T-OTP". Below this is an "OTP" input field with a "Get OTP" button.
- 3**: A large blue "LOGIN" button.

Below the login button, there is an "OR" separator and a link for "Login with Username & PIN". At the bottom, there is a link for "Don't have an account yet? Enrol Now" and a small disclaimer: "Protected by reCAPTCHA and the Google Privacy Policy and Terms of Service apply."

If you have any query, kindly contact Mr. Bhadreshsinh Gohil
on sa@gbu.edu.in

2. Dashboard (Click on Start Signing)

The screenshot shows the emudhra eSign dashboard in a web browser. The browser address bar displays `app.e-mudhra.com/dashboard.jsp`. The page header includes the emudhra eSign logo and a user profile for GOHIL BHADRESHSINH GAMBHIRSINH. The main content area features a welcome message for the user, a "Start Signing" button, and two status indicators: "Go Paperless" and "Sign PDF files Instantly". Below this, there is a section for "eMudhra KYC based eSign" with a "KYC Status: Verified" indicator. A notification banner states "You have received 1 new document(s). Click here to view and accept the document(s)". At the bottom, there is a section for downloading the eSign app, with the text "Manage all your eSign accounts anywhere, anytime..." and icons for Windows, Mac, Android, and iPhone. The left sidebar contains navigation options such as "Dashboard", "eSign Transactions", "Manage DSC", "Subscription Details", "Document Signing", "New Signature", "Signed by Me", "Received Documents", "Shared Documents", "Account Settings", "Profile Settings", "Registered Devices", and "Subscriber Agreement". The footer of the sidebar reads "© eMudhra. All Rights Reserved."

Regarding Implementation of e-Sign and e-Seal service for the various eGovernance Applications of the Government of Gujarat.

Government of Gujarat
Science & Technology Department
Block No.7, 5th Floor, Sachivalaya,
G.R. No. EGV/10/2021/1594/IT
Date: 6th September 2021

Department of Science and Technology has developed e-sign and e-Seal solution for various Government of Gujarat applications hosted at Gujarat State Data Centre. e-Sign means an online electronic signature service that can facilitate to digitally sign a document without any physical digital signature dongle/Digital Signature Certificate. eSign is an online service that can be integrated within various service delivery applications to facilitate digitally signing of documents. In this regard, On behalf of Department of Science and Technology, Gujarat Informatics Limited (GIL) would be the Application Service Provider (ASP) for all applications of Government of Gujarat. For this, a standalone application has been developed for implementation of eSign and eSeal service for the various offices & Departments of the Government of Gujarat. This web based application which will work as a middle ware between GoG applications and eSign Service Provider (ESP) will also work as ASP for GoG and further communicate with (Controller of Certifying Authorities) CCA empanelled ESPs (eSign Service Provider). All GoG's application will be integrated with the proposed standalone application and the integration would be API based. Application needs to consume the API of other system and develop the API of proposed system. The following are the indicative list of applications that needs to be integrated with standalone application by the developer, but not limited to:

- Digital Gujarat Portal: DST's flagship program for providing eservices at citizens' door step. Currently 100+ online Citizen Centric services are running.
- IWDMS 2.0, IFMS2.0, e-Dhara, SATHI, iORA, VISWAS, ikhedut, e-Nagar, IFPS, etc.

2. "electronic signature(e-Sign)" as defined under section 2(ta) of the IT Act, 2000 and as inserted by Information Technology Amendment Act 2008, (ITAA) means authentication of any electronic record by a subscriber by means of the electronic technique specified in the second schedule and includes digital signature.
