

## **ACCESSIBILITY REPORT FOR PHYSICALLY HANDICAPPED PERSONS**

---

The Gujarat Biotechnology University (GBU) Academic Building is accessible for physically handicapped persons. The building includes several facilities to ensure inclusive and barrier-free access for all individuals.

### **Key Accessibility Features:**

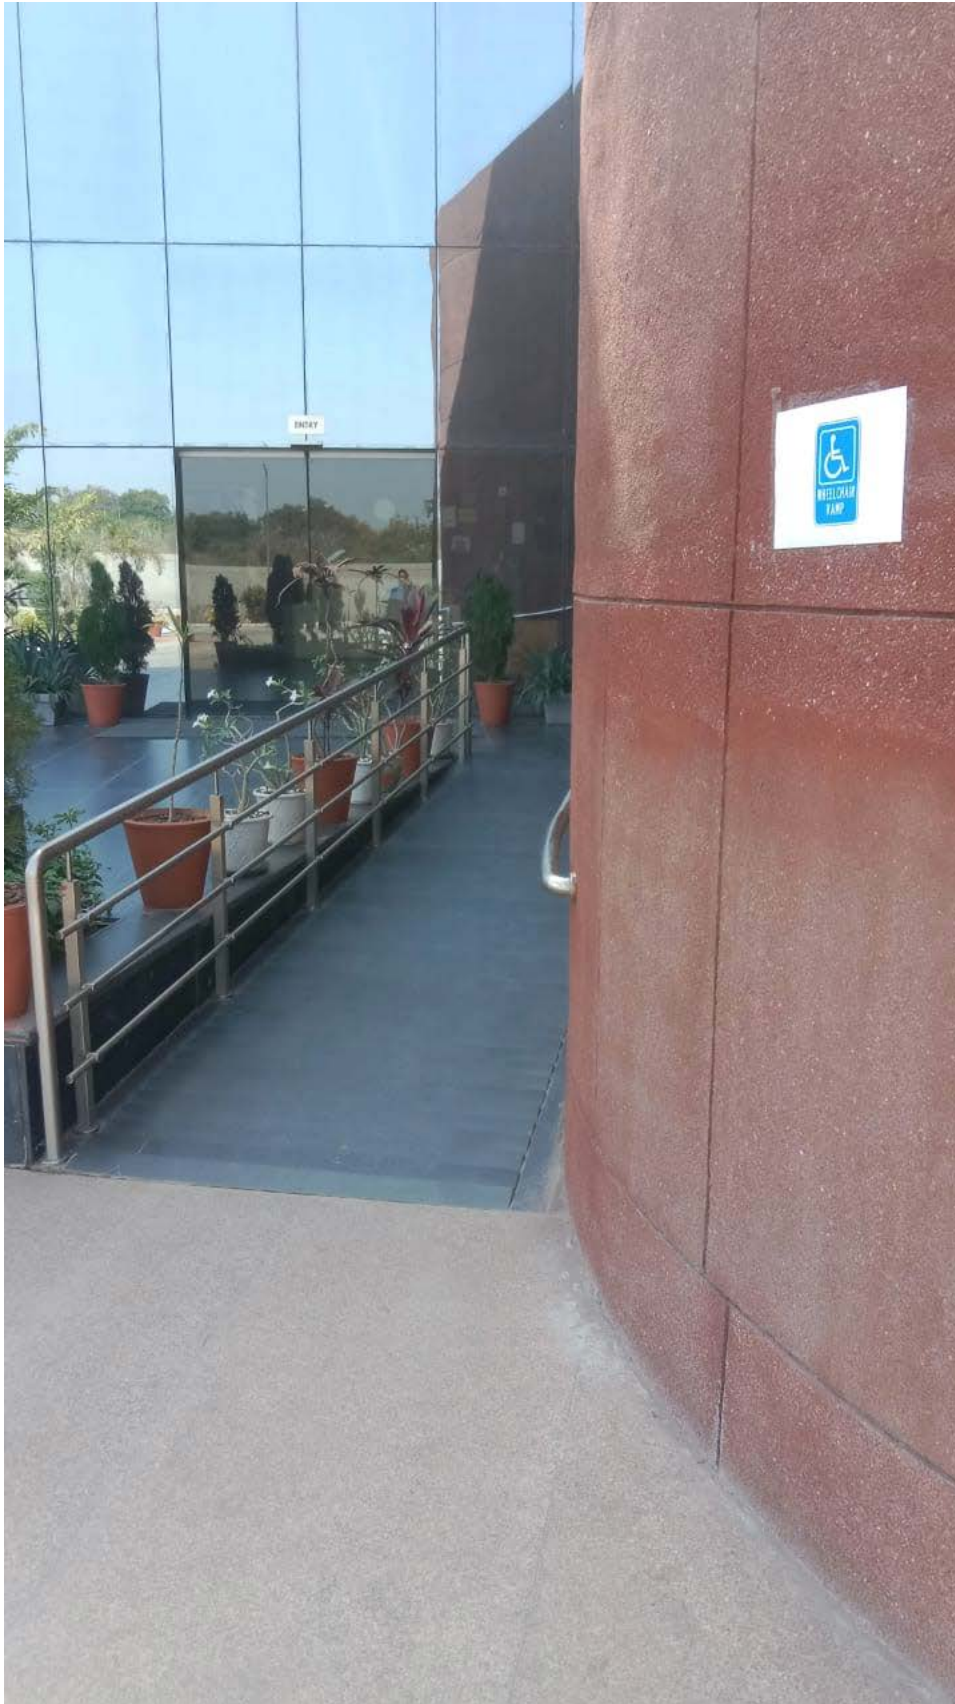

Based on the onsite inspection and documentation, the following features are available:

- - Wheelchair ramps at all necessary locations
- - Notified LIFTs that are accessible
- - Reserved parking space for disabled persons
- - Braille signage and tactile paths
- - Non-slip or skid-safe flooring
- - Dedicated toilets for physically challenged individuals
- - Help desk support at reception
- - Chairs and other provisions for persons with disabilities
