

# First Aid Medical Room at GBU

---

Gujarat Biotechnology University (GBU) has appointed Dr. K.V. Mehta, M.B.B.S (Registration No. G-17968), as a visiting doctor to strengthen student healthcare and welfare services on GBU campus.

## Doctor's Visit Schedule and Role

Dr. K.V. Mehta visits the GBU campus twice a week, specifically on every Tuesday and Friday, for two hours between 11:30 AM and 1:00 PM. During these scheduled hours, he provides primary medical care, dispenses medicines, and advises students on health-related matters.

## Day-Care and Emergency Support Services

The presence of Dr. Mehta contributes to the day-care facilities available at GBU, focusing on the immediate well-being of students. In addition to on-site consultation, he provides telephonic support to address health concerns outside visiting hours. In cases of medical emergencies, Dr. Mehta promptly refers the students to nearby Government Hospitals for advanced medical care & treatment.

## Impact on Student Welfare

This initiative enhances the student support system at GBU by ensuring timely medical intervention and reducing the burden of health-related issues. The University aims to maintain a safe and health-conscious environment for its students.
