CIRCULAR

Subject: **Introducing GBU Website with two new Hindi Domain Names**

Ref: GBU/Domain/e-file/265/2025/0257/IT dated 11/04/2025, 24/04/2025 & 05/05/2025

Internationalized Domain Names (IDNs) are Domain names represented in local language characters. Such domain names could contain letters or characters from non-ASCII scripts. In India, the .IN Registry is also responsible for registering IDN in Indian Languages. Education and Research Network of India (ERNET India), an autonomous society under the administrative control of Ministry of Electronics and Information Technology (MeitY), Government of India, is domain registrar for registering domain under **विद्या.भारत**, **शिक्षा.भारत**, **शोध.भारत**.

By following GoI's above initiative GBU has availed two new domain names <https://जीबीयु.शिक्षा.भारत> and <https://जीबीयु.विद्या.भारत> in Devanagari Script.

Therefore, official website of Gujarat Biotechnology University shall now also be accessed through the above-mentioned Hindi domain names, in addition to the regular website URL: <https://gbu.edu.in>

This circular has been issued for wider circulation of above initiative amongst all staff members and students.
