Provisional List of Candidates for M.Sc. Admission – Round 2 (2025-26)

Candidates are required to carefully read the following instructions and pay the token fee of Rs. 15,000/- online through the GBU's Admission Portal on or before 21st July 2025(11:59 PM).

- Gujarat Biotechnology University (GBU) published the first merit list on 9th July 2025. Following the completion of the first round of admissions, 41 candidates (33 Regular + 8 EWS) confirmed their admission by paying the token fee, out of a total of 110 seats (100 Regular + 10 EWS). As a result, 69 seats (67 Regular + 2 EWS) remained vacant and are now being offered in this second round of admissions.
- After completion of the first round, all vacant reserved category seats were converted to General category seats as per the rules.
- All candidates who do not hold Gujarat domicile are considered under the General Category, irrespective of their category.
- The Admission Committee has decided that from the second round onward, in each subsequent provisional admission round, the number of candidates to be invited for paying the token fee and securing admission will be twice the number of available seats. In cases where multiple candidates have the same GAT-B score, all such candidates will be invited to pay the token fee. Admissions will be granted strictly on the basis of merit, as determined by the GAT-B score.
- Furthermore, if a candidate pays the token fee but is unable to secure admission due to their merit position or seat unavailability, the token fee will be refunded within 7 to 10 working days after the completion of the admission process.
- **Note:** All the applicants paying the security deposit are hereby instructed that merely paying the security deposit won't entitle them to secure admission at GBU if the seats are not vacant and they are not in higher merit. No litigation in this regard shall be entertained by the University.
- In the event of a tie in GAT-B marks, Gujarat Biotechnology University will consider the date of birth of the candidates. The candidate who is older in age (i.e., with an earlier date of birth) will be given first preference, followed by others in the same order of age among all candidates having the same GAT-B score. No claims, objections, or legal challenges shall be entertained with respect to this criterion.
- As per the merit list, the following applicants are invited for the second round of admission and are required to pay a token fee of Rs. 15,000/- to secure their admission. The payment must be made through the GBU's Admission Portal on or before 21st July 2025 (11:59 PM).
- The step-by-step guide to pay the token fee through GBU's Admission Portal is attached herewith for your reference.
- Please note that failure to pay the token fee of Rs. 15,000/- on or before 21st July 2025 (11:59 PM) will result in cancellation of the admission, and the vacant seat will be offered to the next candidate in the merit list as per rules.
- This admission is provisional and subject to final verification of original documents during physical reporting at GBU. If a candidate fails to produce the required original documents at the time of physical reporting, the admission will be cancelled without any further notice.
- Admission to the M.Sc. Biotechnology program for 2025–26 is provisional. Gujarat Biotechnology University reserves the right to cancel any admission at any stage. If, at any stage, it is found that a candidate does not meet the required eligibility criteria, Gujarat Biotechnology University (GBU) reserves the right to cancel the admission without prior notice.
- For any queries, please contact: admission@gbu.edu.in
