## Strengthening Global Collaborations: Kyoto University & SRDI Visit to GBU

It was a pleasure to host **Prof. Keiji Numata** from Kyoto University, Japan along with the Suzuki RnD India (SRDI) team, at GBU. The visit opened avenues for future collaborations between GBU, and Kyoto University & SRDI in areas of mutual interest and innovation.

## Insights into the Startup Ecosystem: Lecture by Mr. Mahendra Chaudhari

Recently, GBU hosted **Mr. Mahendra Chaudhari**, CEO of the NIDHI Technology Business Incubator at IIPHG, for a guest lecture on “Navigating the Startup Ecosystem.” A heartfelt thank you to Mr. Chaudhari for sharing his expertise!

## Celebrating International Women's Day 2025 at Gujarat Biotechnology University!

We marked this special day with an insightful talk on breast cancer screening and awareness by **Dr. Anagha Zope**, Senior Consultant Breast Surgeon at Apollo Hospital and CIMS Hospital.

At Gujarat Biotechnology University, we stand for gender parity, empowerment, and raising awareness. On this International Women's Day, we not only celebrated women's achievements but also took a step forward in educating and spreading vital knowledge about health and well-being. Let's continue to raise awareness and take action towards a healthier future for women everywhere.

## Celebrating Foundation Day at Gujarat Biotechnology University!

On 6th March, we are filled with immense joy as we celebrate the Foundation Day of GBU with great enthusiasm! The celebrations kicked off with an exciting prize distribution ceremony marking the conclusion of our cultural week. Our talented students, faculty and staff members showcased their skills through fun-filled competitions like Dumb Charades, Antakshari, One Minute Games, Rangoli, Staff Kids Fancy Dress, Traditional Day, and Folk Dance! To add even more value to this special day, we were honored to have **Dr. Dinakar Salunke**, Founder Executive Director of Regional Centre for Biotechnology (RCB), New Delhi, and Former Director of the International Centre For Genetic Engineering And Biotechnology (ICGEB), New Delhi, for an insightful scientific talk.
