

(On letter head)

SITE VISIT CERTIFICATE

- a) I / We have visited and inspected the site on _____ and have fully acquainted ourselves with the scope, nature, and extent of the work involved prior to submission of our bid. We confirm that the work can be executed within the prevailing site conditions.
- b) I / We have visited the site of **“Construction of InCITE Building at Gujarat Biotechnology University”** and have understood all aspects related to the project.
- c) I / We have carefully examined the site and noted all existing conditions, including but not limited to structures, utilities, services, trees, encroachments, and any other obstructions that may affect the execution of the work.
- d) I / We have assessed the general topography, access to the site, and other relevant site conditions necessary for proper planning and execution of the work.
- e) I / We agree that no claim whatsoever shall be entertained at a later stage on account of lack of knowledge of site conditions or local factors.
